We do not have responsibility with content of this book.

Once a troublemaker, always a troublemaker?

Thereâ€™s a folder in Principal Kellingâ€™s office thatâ€™s as thick as a phonebook and itâ€™s growing daily. Itâ€™s filled with the incident reports of every time Clayton Hensley broke the rules. Thereâ€™s the minor stuff like running in the hallways and not being where he was supposed to be when he was supposed to be there. But then there are also reports that show Clayâ€™s own brand of troublemaking, like the most recent addition: the art teacher has said that the class should spend the period drawing anything they want and Clay decides to be extra â€œcreativeâ€• and draw a spot-on portrait of Principal Kellingâ€™s as a donkey.

Itâ€™s a pretty funny joke, but really, Clay is coming to realize that the biggest joke of all may be on him. When his big brother, Mitchell, gets in some serious trouble, Clay decides to change his own mischief making waysâ€¦but he canâ€™t seem to shake his reputation as a troublemaker.

From the master of the school story comes a book about the fine line between good-humored mischief and dangerous behavior and how everyday choices can close or open doors.
